

# Bright 'n' breezy

**These cheerful cards use a colourful selection of Dovecraft embellishments and card. Customise them to suit any occasion!**

of the jumbo slide with either a craft knife or scissors. Slice the silver paper inside the slide mount diagonally corner to corner with a craft knife to create an opening fold

**3** Fold those four corners to the back of the slide mount and trim the excess paper. Cut a square of white card for the backing of the slide mount, glue that to the centre of the card. Carefully stick the 3D sticker on the white card

**4** Using foam tape attach the slide mount to the white card, and place the small tulip sticker on the edge of the slide mount. Finally, place the silver border around the outer edges of the card.

## GO

### Tulip card

**1** Cut yellow card to 14cm square.

Repeat this with the green Natura decorative paper. Fold it diagonally in half to form a triangular shape and cut it down the centre. Glue the green triangle onto the yellow card as shown in the photograph.

**2** Glue the jumbo slide mount to the silver paper. Cut around the edges

### Boutique card

**1** Cut white card to 17 x 10cm. Glue Dovecraft lilac Premium paper inside the card. Cover the front of the card with the Dovecraft yellow Premium paper.

**2** Cut through the middle of the card front as shown. Place two holographic peel-off stripes vertically on the lilac side and one down the edge of the yellow side.

**3** Using the remaining yellow paper and card from step 2, cut to 5.5 x 4.5cm. Stick the holographic border around the edges of the yellow paper and card.

**4** Attach the yellow paper and card from step 3 on to the middle of the card front. Finally, position the handcrafted boutique stickers as shown in the picture.

### Baby Card

**1** Score and fold ridged white card making sure the lines are vertical and cut to 10 x 19cm. Starting with turquoise card, cut three 5cm squares.

**2** Use the double-sided tape to attach the three squares on the front of the card. Repeat this with yellow and white card, making sure each colour is 2mm smaller than the previous layer.

**3** Fix the Dovecraft 3D foam sticker to the front of the card as shown on the photograph. Cut two 22cm lengths of yellow velour ribbon and carefully fix it down the front of the card using the double-sided tape, fold the ribbons' ends neatly inside the card.

**4** To hide the end of the ribbons, cut out a same size backing card and carefully tape it down to the inside of the card.
