- ✓ Easter stickers by Syntego
- ✓ Yellow Heart brads
- ✓ Ruler
- ✓ Guillotine

GO

It's Easter!

1 Create a 15x21cm card blank from cream card. Cut a 15x21cm piece of Beach Towel Stripe paper and cut in half diagonally from the top right corner to the bottom left to create two triangles. Attach the bottom triangle to the bottom right of the card front as shown.

2 Repeat using the medium shade of Swimming Pool card and glue the top triangle in the top left corner so the card front is completely covered by the two patterned papers.

3 Cut a 13x10cm piece from the lightest shade of Swimming Pool card and mount onto the darkest shade. Trim to size and attach to the centre of the card front.

4 Add an Easter egg sticker in the bottom left corner of the card front and two egg shaped buttons in the bottom right corner. Attach a bunny shaped button on top.

5 Attach stickers and egg shaped buttons to the centre panel as shown. Also attach quilled butterflies.

6 Add a greeting above the centre panel using Black Beetle rub-ons and for the finishing touch fix a bunny button in the top left corner of the centre panel.

Eastertime

1 Create a 15x21cm card blank from cream card. Cut a 21x10cm piece of Mega Dot card and attach to the left of the card front. Attach a length of ribbon along the right edge as shown.

2 Decorate the Mega Dot panel with Easter stickers, buttons and quilled dragonflies as shown. Add a charm in the top right corner.

3 Draw flowers, leaves and grass onto the Mega Dot paper using the stencil and fine felt tip pens.

4 Add a greeting onto the lightest shade of Swimming Pool card using Swimming Pool rub-ons as shown. Trim to size, mount onto the darkest shade of card and then onto the medium shade. Attach the panel to the right of the card front and add heart brads in the top left and bottom right corners.

5 To complete the look decorate above and below the greeting panel with Easter buttons.
